B. C. KETKAR,
Superintendent, P. W. Workshop and Stores.

CAUVERY RESERVOIR WORKS.

Dated 22nd April 1916.

Notice is hereby given that sealed tenders will be received by the undersigned up to 5 P.M., on Saturday the 20th May 1916, for the supply of the undermentioned articles required for the use of the Cauvery Reservoir Works on the North and South Banks, from 1st July 1916 to 31st December 1916.

2. An approximate estimate of quantities required is given against each item in the list.

3. Tenders should be submitted on printed forms, which may be obtained from the undersigned's office and accompanied by a list in the form given below, showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 200 as earnest money, and be superscribed "Tender for the supply of Machinery articles," in default of which, tenders will be rejected. The earnest money of the unsuccessful tenderers will be refunded.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tenders or to assign any reason whatever for the rejection of any tender.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the undersigned's office and intimated to him in the usual course. No enquiries regarding the acceptance or rejection of a tender will receive attention.

7. The rate tendered for each item, shall include cost of delivery, free on rails, at French Rocks Railway Station for the North Bank and Paschimavahini Railway Station, Madras and Southern Mahratta Railway, for the South Bank separately.

8. Orders will be placed with the successful tenderers, as articles are required and the supply of order in full must be completed within three weeks from date on which such an order is placed, failing which, the unexecuted portion of the order placed will be cancelled and order placed elsewhere and the earnest money deposited by the successful competitor forfeited as a penalty for the non-execution of the order in full.

9. Maker's name should be specified in quoting rates.

B. SUBBA RAO,
Superintending Engineer.

MYSORE STATE TROOPS, BANGALORE

Notice dated 20th April 1916.

1. Tenders are invited for the supply of the undermentioned article required for the Military Stores, Mysore Government, Bangalore.

2. Tenders should be in the undermentioned form sealed and addressed to the Chief Commandant, Mysore State Troops, and superscribed "Tenders for the supply of new pattern Officer's swords as per specification noted below."

3. Tenders will be received at the Chief Commandant's Office till 2 P.M. on Thursday the 25th May 1916, after which no tender will be received.

4. Tenders should clearly show the rate at which the article (which should correspond with the sealed sample) can be supplied. The sealed sample of the article could be seen in the Mysore Government Military Stores on any day during office hours.

5. Every tender should be accompanied with a deposit of Rs. 50 in currency notes. If the tender is accepted and the tenderer fails to undertake the contract, he will forfeit the amount. If the tender is not accepted the amount will be returned to the tenderer.

6. The name of the successful tenderer will be notified in due course on the board at the Chief Commandant's Office and he will be required to deposit as security one-tenth of the value of the article to be supplied and to execute on agreement for the due fulfilment of the contract for the supply required.

7. Should the contractor fail to comply with any of the conditions detailed below, the contract will be forthwith cancelled, and the deposit credited to Government.

8. The Chief Commandant reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.
